What is Human Design

A fusion of ancient wisdom
and modern science

It reveals the template of
your genetic chemistry

Human Design is not a
Religion or a Philosophy

It is your genetic design

Spiritual Restructuring
Benefits

Emotional Release: Creates a space to
heal and release trauma from physical,
emotional and mental issues.

Body Alignment: Release from pain in
the cervical vertebra, sacrum, hips, the
coccyx and lumbar areas as well as the
extremities through spiritual adjustment.

Cranial Sacral: This technique is used
to release emotional blockages and to
create balance in the cranial plates.

Kinesiology: Working directly with the
right brain consciousness, the wisdom of
the soul and the body to locate and
release long-standing issues.
